God's Word to Women

**That GOD'S WAY may be known on earth,
And HIS SALVATION among all nations (Ps. 67:1-2)**

**...Teaching them to observe ALL THINGS
that I have commanded you ... (Mt. 28:18-20)**

IN THE CONTEXT OF God's Word to the World

GENERAL INFORMATION

**GOD'S WORD TO WOMEN
IS
A GLOBAL MISSIONARY TEACHING MINISTRY
WITH CONSEQUENCES IN THE LIVES OF PEOPLE
TODAY AND FOR ETERNITY.**

GWTW promotes Biblical Thinking and Holy Spirit Awakening, especially in ways that reach and teach women in the nations of the earth. Its goal is to reach and teach those who will teach others also. (It is not a missionary fundraising organization.)

God's Word to Women is able to function because of volunteers who so freely give of their time and expertise and because of donors who give of their resources. It is a labor of love in every respect!

God's Word to Women, Inc. is a registered Texas non-profit organization (established in 1998, ID #150783301) and a 501 c 3 organization registered with the US Internal Revenue Service (Federal Tax ID #76-0586836-7). In July 2011, the retiring Board of God's Word to Women asked Susan Hyatt to take charge of the organization and create a new Board. At that time, she merged the Int'l Christian Women's History Project & Hall of Fame with God's Word to Women.

God's Word to Women, Inc. began as a web site ministry in 1998 when three Christian ladies, inspired by Dr. Katherine Bushnell's classic book GOD'S WORD TO WOMEN, decided to lend a helping hand to women everywhere sisters *via* the Internet. Response was immediate and the site grew quickly.

Today, the site receives a hit about every 4 minutes, with hits coming from every nation. We invite you to visit the Home Page to learn of the many facets of the God's Word to Women, Inc. (est. 1998) and www.icwhp.org, the sister site.

GOD'S WORD TO WOMEN teaches

the Biblical truth that men and women are equal in terms of substance & value, privilege and responsibility, function and authority in all areas of life, ministry, and marriage. This Biblical position is opposed to the presuppositions that women are unequal, inferior, evil, and unclean that drive traditional interpretation of Scripture regarding women.

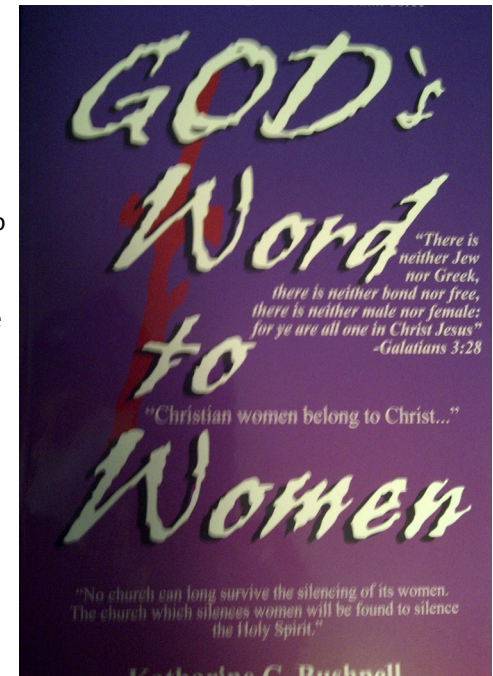

- The starting point of the correct Biblical understanding is the Message of Jesus as revealed in word and deed in the Gospel record.
- It agrees with the revealed will of God in the Biblical record, including the Genesis account and the New Testament Epistles, accurately interpreted in terms of the authors' intentions in the original cultural settings.
- It also agrees with the activity of the Holy Spirit as observed in Scripture, in Believers, and in Revival history.

THE INT'L CHRISTIAN WOMEN'S HISTORY PROJECT & HALL OF FAME

(www.icwhp.org) showcases God's women to inspire and instruct our generation and to preserve the biographies of great women of faith for future generations.

Together GWTW and THE HALL offer a comprehensive program that honors the Lordship of Jesus Christ, the Word of God, the priesthood of all believers the ongoing activity of the Holy Spirit according to what the Bible teaches, and Biblical values, especially those clearly expressed by Jesus. Care is taken to be sure that all of GWTW is both academically sound and historically informed.

GWTW's comprehensive approach ministers hope and healing to men and women, frees both men and women from abuse and bondage, and releases the Life of God in and through His people.

Administrators include the GWTW Executive Team: Dr. Susan Stubbs Hyatt (President), Dr. Eddie Hyatt (Director), Rev. Valarie Owen (Director), and Advisors/Administrators: Rev. Linda Miller, Rev. Gladys Raj, and Edith Hicks Calder.

THE GWTW FB GROUPS EXIST TO EDUCATE MEMBERS

*by facilitating healthy friendships, *by providing brief answers to questions, *by encouraging Biblical attitudes and values, and *by encouraging members to use the many different tools prepared and provided by God's Word Women.

The Group is monitored to make it a safe place and support group.

Harsh comments, disdainful references, and derogatory personal remarks are not tolerated. We are interested in reaching people, encouraging them in healthy Biblical lifestyles and relationships. Although "right doctrine" is important, we have observed that it is possible to have "right doctrine" and "wrong attitudes"! The Golden Rule is a helpful guide for participation.

We strongly recommend that members participate in GWTW College (online and free at www.icwhp.org and www.eddiehyatt.com) and **that they read the following books:**

- * *In the Spirit We're Equal: The Spirit, The Bible & Women* (by Susan Hyatt),
- * *10 Things Jesus Taught about Women* (by Susan Hyatt),
- * *God's Word to Women* (by Katherine Bushnell), and
- * *Veiled and Silenced* (by Alvin John Schmidt).

All are available from GWTW except *Veiled and Silenced*, which can be purchased from amazon.com.

It is hoped that FB Group members will become teachers--or more effective teachers-- of the Bible, including that part of the Gospel that brings hope, healing and liberty to women. GWTW is here to equip you for that task.

Weekly news updates help keep members aware of opportunities provided by God's Word to Women and its members for personal, spiritual growth and for the development of healthy, beneficial relationships.

FB Members are encouraged to support the ministry in PRAYER (and by participating in the LIVE PRAYER FELLOWSHIP every Tuesday at www.chatzy.com/HyattHouse with revival7 as the password) and by financial DONATIONS (See "Donate" at www.godswordtowomen.org and www.icwhp.org.)

6 GOD'S WORD TO WOMEN is a partnership-based ministry that is possible because of the support of friends and the volunteer efforts of co-workers.

GWTW-TV STUDIO & CLASSROOM

GWTW is taking steps to open a public space in the town of Grapevine, TX, a tourist center of 47,000 residents situated on the northwest side of Dallas/Fort Worth Int'l Airport and about half way between Dallas and Fort Worth.

The GWTW multipurpose space of, perhaps 1500 sq. ft., is being designed to house all aspects of the ministry, especially the STUDIO that will accommodate 24/7 streaming. In addition, it will house GWTW College, The Int'l Christian Women's Hall of Fame, GWTW Library and Resources, and Offices for daily operations. It will provide space for volunteers to help carry daily responsibilities.

The STUDIO is a high priority at this stage of development. It will increase the quality of our live streaming, established in our home in 2006 and now streamed from our Grapevine apartment.

It appears that the ministry will be able to acquire the basic studio equipment by the end of June, 2013. This will enable us to record and/or stream programming that would be available to any/all cable/satellite outlets. It will enable us to broadcast 24/7 on the Internet, including GWTW COLLEGE. It will enable any and all phones, tablets and computers to access the Stream/TV and will create apps for these devices so that one click will assure instant access.

DESIGN: The décor of the entire space will be the *Int'l Christian Women's Hall of Fame* displays and materials. And it will mean that Hall of Fame inductions can resume. The floorplan will include classroom seating for local students of *God's Word to Women College*.

IMMEDIATELY upon purchase of the Studio Equipment, we can begin production of a weekly, 30-minute program with our home serving as a studio until public space is acquired. The 30-minute program would be carried on a website dedicated solely to GWTW TV, the GWTW You-Tube Channel, and local free or low-cost, community, educational channels on local cable TV networks.

Examples of programming that can be developed include:

- GWTW College Courses
- The 30-minute program mentioned above
- Programs by friends who share the vision and purpose
- Call-in programs using Internet Chat Room, Skype, & Phones.
- Book readings
- Prayer Times
- Special programming in other languages
- Spontaneous programming
- Interviews
- Relevant News Items.

PURPOSE

TO EQUIP women with information, tools, relationships, credentials, and opportunities to be more effective leaders and change agents in both society at large and the Christian community.

TO EDUCATE women regarding Biblical equality and Biblical leadership, as revealed in both Scripture accurately interpreted, beginning with Jesus Christ, and by the activity of the Holy Spirit, particularly in Church revival history.

TO PROVIDE opportunities for women to learn, live, and teach the Biblical model of gender equality and so improve their own lives and that of other women around the world, especially where domestic abuse, religious oppression, and sexist thinking would otherwise keep women in undesirable situations

THE PROGRAM HONORS

- The Lordship of Jesus Christ
- The Authority of the Bible as the Word of God
- The Empowering Leadership of the Holy Spirit in the Life of the Believer
- The Importance of Academically Informed Positions
- The Importance of the Elevating Activity of Women by the Holy Spirit in History
- The Necessity of Biblical Values
- The Priesthood of All Believers
- The Necessity of Sound Biblical Interpretation

THE PROGRAM TEACHES ...

- The Bible, accurately interpreted, teaches the equality of women and men in terms of substance and value, privilege and authority, function and authority in all areas of life, ministry and marriage.
- The Holy Spirit has elevated women toward equality with men to the extent that the culture yields to Biblical values. This is best observed in times of revival.
- The Bible teaches that men and women are to function according to giftings and abilities rather than according to roles based on gender, dictated by fallen humanity and religious cultures.
